Ciara Brady's Houseboat

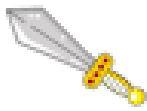

FOURTH CLASS SAILING VESSELS

Asha Connolly's boat on the waves

FOURTH CLASS SAILING VESSELS

Making my kayak – Mike Corcoran

A kayak is a small narrow boat and it is moved by a paddle.

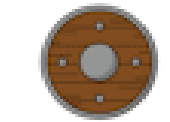

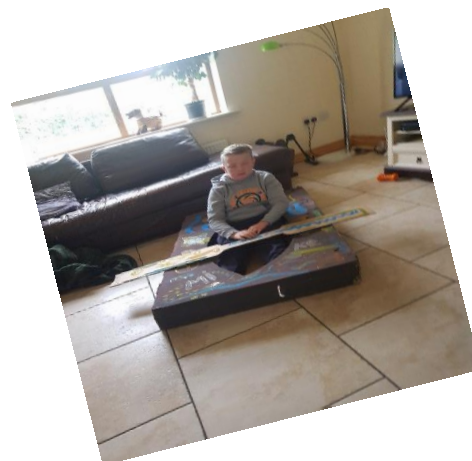

A kayak can be used for fishing.

I have been in a kayak.

I chose a kayak because I know what it looks like.

I made the kayak out of an old tv box.

FOURTH CLASS SAILING VESSELS

FOURTH CLASS SAILING VESSELS

Cargo Boat – Kian Argue

I chose to make a cargo boat because they look cool with all the containers on it and I have a Lego Cargo train and track.

I made it using old boxes and tubs for recycling. I stuck it together with masking tape then papier-mâché to make it hard.

I paint it and drew details on it.

Luxury Liner – Glen Argue

I chose to make a luxury liner because I would like to go on one and they look very nice.

I made it with old boxes, papier-mâché, paint, clay and markers at the end.
