

Welcome everyone to our class news.

The children in 5th class have been working hard on their poetry writing. They have composed examples of cinquain, simile, theme and descriptive poems and we are very proud of their exemplary work.

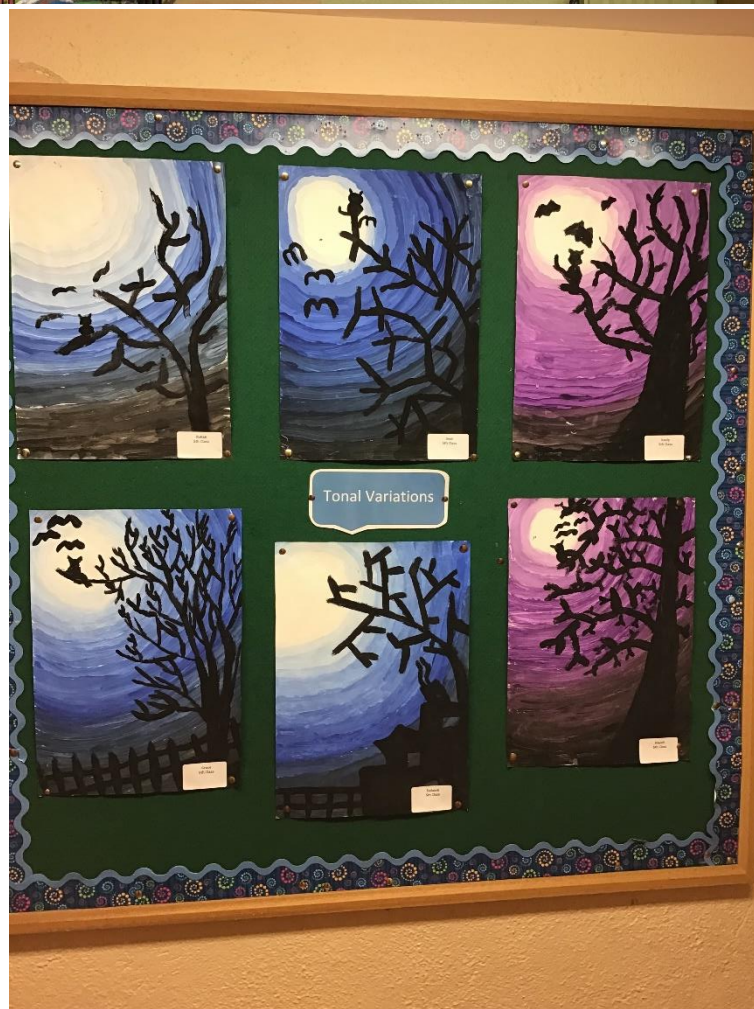

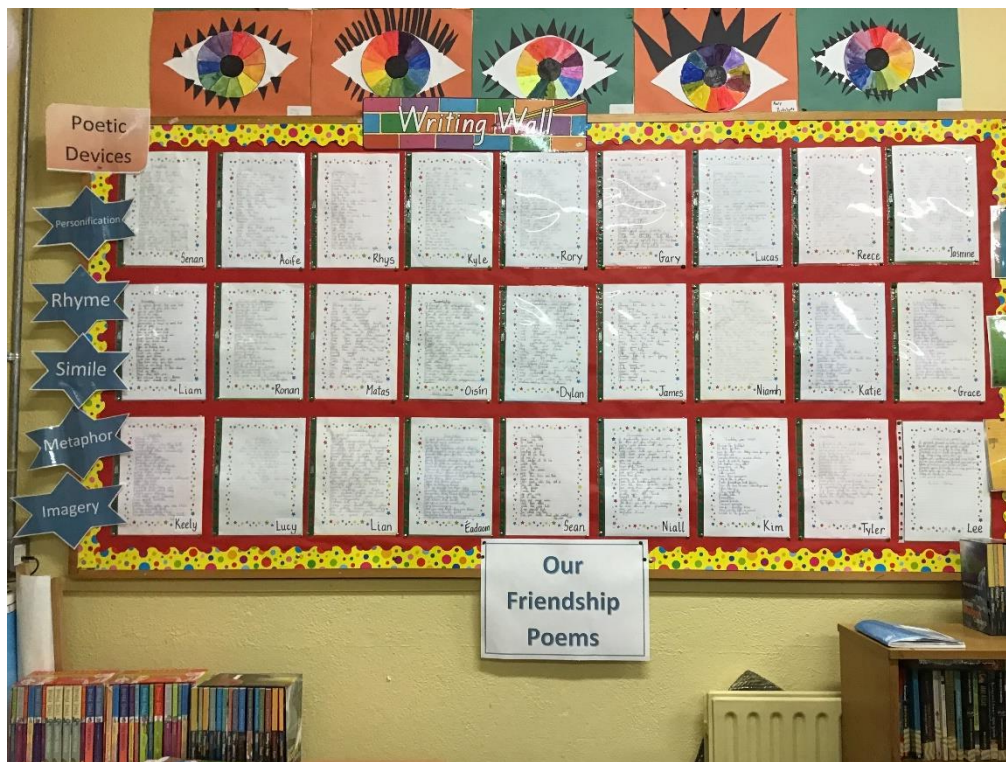

In art we explored colour mixing and tonal variations.

Congratulations to Aoife on her captivating artwork achieving 3rd place in the Credit Union art competition this year.

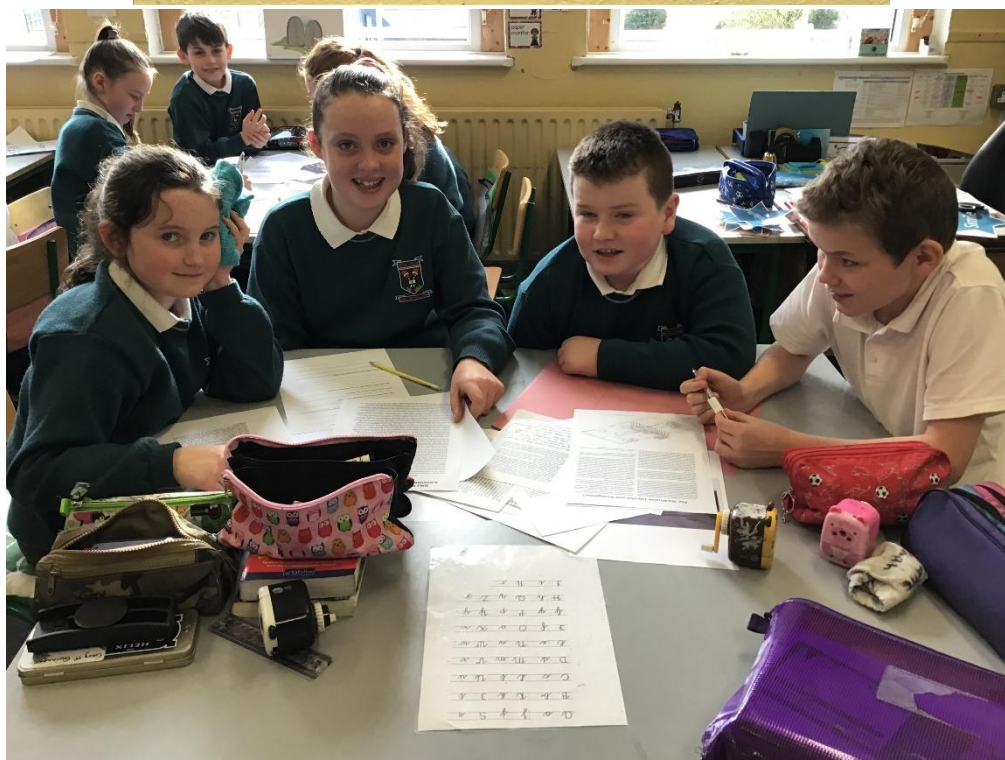

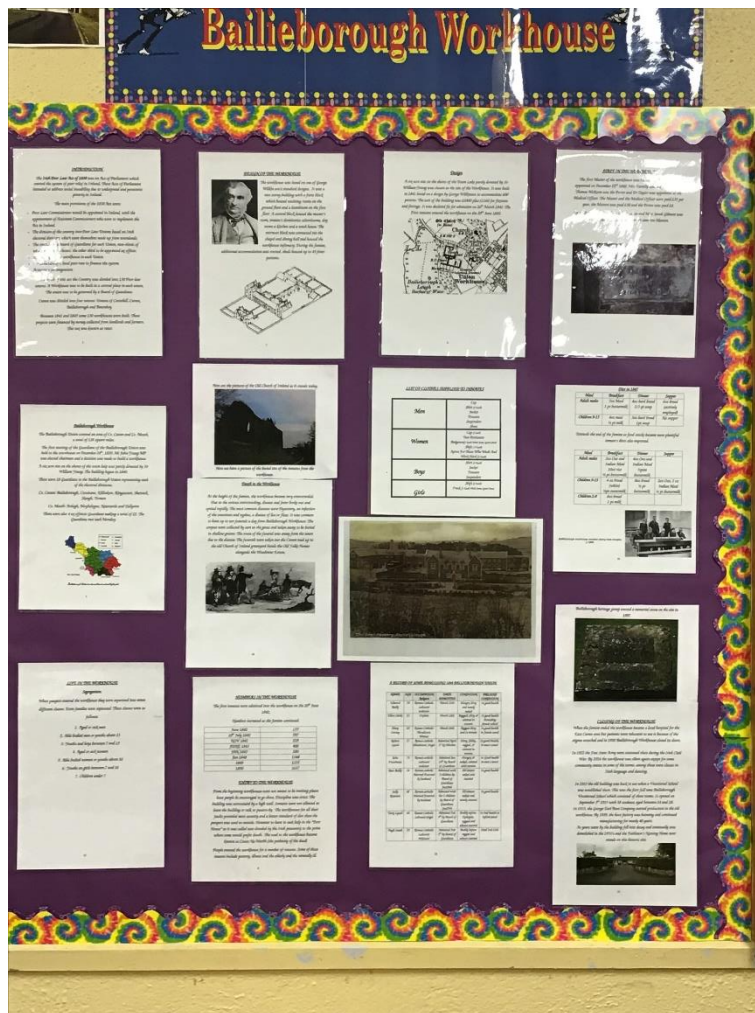

As gaeilge bhíomar ag plé na téamaí 'Mé Féin' agus 'Bia'. Scríobh na paistí tuairisc fúthu féin agus thug siad tuairisc fúthu féin freisin.

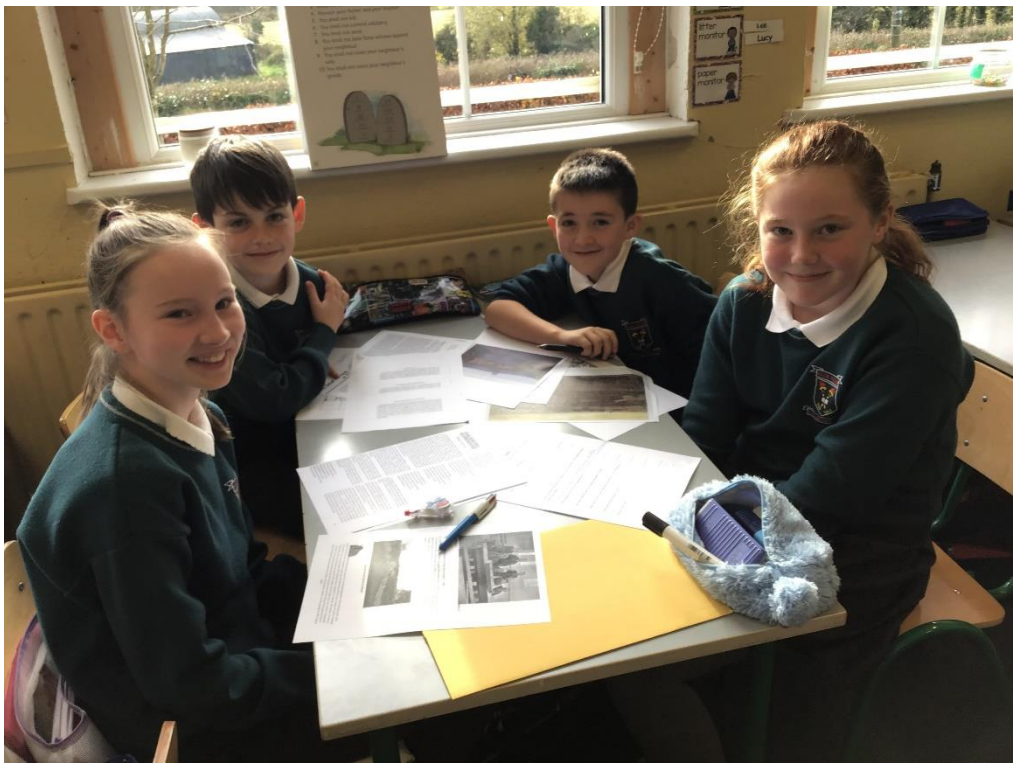

In history we have been learning all about the Great Famine in Ireland and following from this we are studying the workhouse that was in existence in Bailieborough from 1841-1921.

A talk on the Workhouse was organised through the historical society of Bailieborough, giving us a great insight into the organisation and daily running of Bailieborough Workhouse. The children were very engaged and interested in this topic.

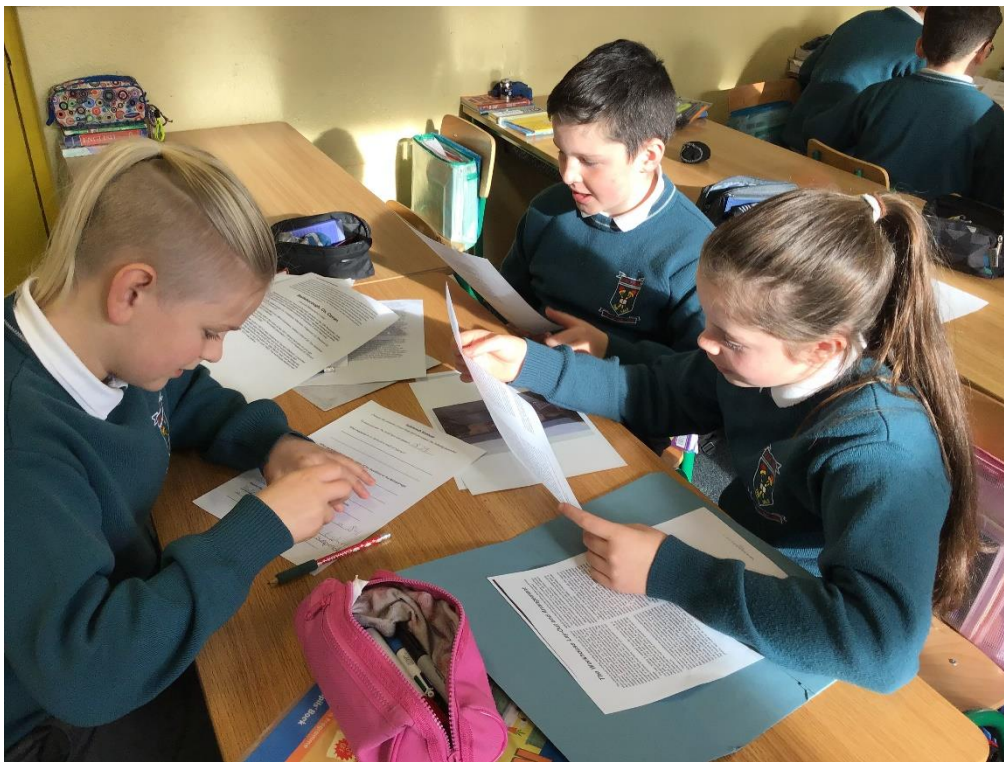

Aoife Coleman 5th Class – 3rd Prize in the 11-13 year old category

Credit Union Art Competition 2019
