

Grandparents Day - 31st January 2019

The Junior and Senior Infants were very busy this week with Mrs. O'Connor and Mr. Collins in preparation for Grandparents Day.

The children worked very hard learning songs and reciting poems for their big performance. They made beautiful portraits of their grandparents along with lots of lovely artwork.

The classes performed brilliantly making grandparents, teachers and the whole school extremely proud!

Here are pictures of our Juniors and Seniors with their wonderful artwork.

After the show, the children presented their grandparents with a 'surprise treat' they had been working on - Chocolate Rice Kripsie Buns
