

Rang a Trí le Ms. Moynagh agus
Mrs. Sheridan

S.P.H.E./Religion

Rang a trí know what the key to living like God is. They believe they are following in God's footsteps when they are being a good friend.

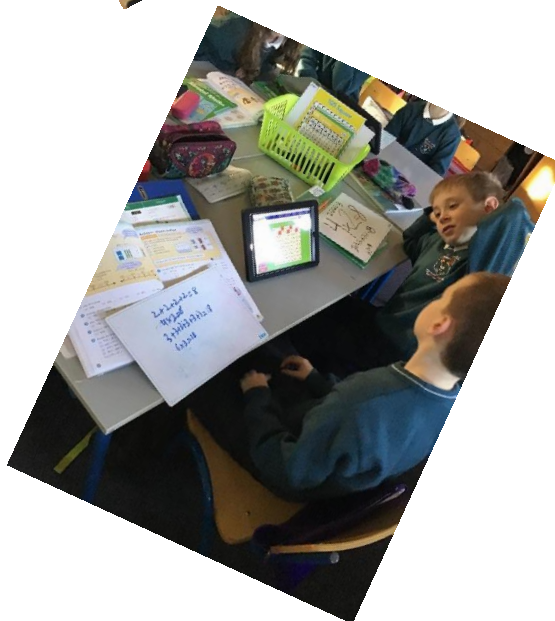

English

Third class have worked extremely hard in English. In particular, they are enjoying using comprehension

strategies. In the first picture, they collaborated in groups and visualised some wonderful images about the poem 'Dad and the Cat and the Tree'. In addition, they are enjoying making their writing interesting with the help of some exciting adjectives. In the second picture, they created adjective people.

Maths

Third class really enjoy active learning in Maths. Pictured above are some students enjoying practical activities when learning about 2D shapes and multiplication. The IPads are also a big hit in third class during maths.

S.E.S.E.

The class created their own maps with a legend in Geography.

As part of Science week 2019, 3rd class created posters to raise awareness about 'climate change'. They presented their posters to all of the classes. Some of the class also

got the opportunity to work with Mrs. O'Connor's class
during the Science week.
